Keyan Peseran was driving while under the influence of drugs, which resulted in a rollover car crash on December 6, 2015. Mr. Peseran was driving back from Steamboat Springs, Colorado with passengers Shannon Cook and Nicole Weber. Mr. Peseran lost control of the vehicle at a high rate of speed and drove off Highway 40.

Ms. Weber, who was seated in the back seat, was ejected from the vehicle and passed away at the scene. Both Mr. Peseran and Ms. Cook sustained serious bodily injuries. All three passengers were students at the University of Colorado Boulder during the time of the incident.

“I will never get to hold my only daughter again. She was such a beautiful ray of light and kindness.” stated Julie Weber, the mother of Nicole.

Ms. Weber hopes to use Nicky’s story to spread awareness and bring attention to the dangers involved with driving under the influence.
